Issuer: Rachel Chua - Group Treasurer
Organization: THE FRATERNAL ORDER OF LADY EAGLES GROUP
Recipient: Lady Eagles Group Members and Officers
Application: Treasurer Financial Record
Date: October 29, 2026

1. CONTEXT & GOVERNANCE OBJECTIVES

Currently, within **THE FRATERNAL ORDER OF LADY EAGLES GROUP**, the financial management application **Treasurer Financial Record** (deployed across PC, Android smartphones, and tablets) requires a secure password held exclusively by the Group Treasurer, **Rachel Chua**.

Lady Eagles Group members and officers have expressed a legitimate desire to **consult the accounts**, track the financial status of the Group (overall balance, breakdown across the 7 official families, progress of *Monthly dues*, *Alalayang Agila* welfare funds, and *Community Service* projects) **without having the ability to modify, insert, or delete any accounting transaction**.

2. PROPOSED ARCHITECTURAL SOLUTION: DUAL-PROFILE ACCESS

To provide transparent financial reporting while maintaining strict data integrity, the application developer proposes introducing a **two-tier partitioned access model** right from the startup screen:

- **Profile 1 — Treasurer (Full Administrative Access & Entry):** Exclusively managed by Rachel Chua (Group Treasurer) via master credentials. Allows recording expenses (Debits), revenues (Credits), member roster administration, ZIP backup exports, and Wi-Fi / Cloud 5G synchronization.
- **Profile 2 — Member (Read-Only Consultation):** Open to Lady Eagles Group members and officers. Offers immediate, read-only consultation of totals, analytics, transaction history, and dues status. All creation, editing, and deletion controls are completely hidden or disabled.

3. PERMISSIONS MATRIX: TREASURER VS. MEMBER PROFILE

Application Feature / Module	Treasurer (Rachel Chua)	Member Profile (Officers & Members)
View Global Balance & Summary Cards	✓ Full Access	✓ Read-Only
Browse Debits (Expenses) & Credits (Incomes)	✓ Full History	✓ Read-Only Search
Add, Edit, or Delete Financial Transactions	✓ Authorized	✗ Locked / Disabled
Track 7 Families (Agila, Community, Rent, Dues...)	✓ Manage & Allocate	✓ View Breakdowns
Monthly Dues Roster & Payment Status	✓ Toggle & Update	✓ View Status
Analytics, Reports & Audit Logs	✓ Full Access	✓ View Charts & Stats
Backup & Restore (JSON / ZIP Archives)	✓ Full Export / Import	✗ Hidden / Restricted
Local Wi-Fi & 5G Cloud Synchronization	✓ Bi-directional Merge	✓ Receive Updates

4. TWO ACCESS OPTIONS FOR PRESIDENTIAL DECISION

To finalize the entry procedure for the Member profile, two practical options are submitted for Group President **Sharon Llegado**'s endorsement:

OPTION A: Direct 1-Click "Member Consultation" Button (No Password) — **RECOMMENDED FOR CONVENIENCE**

On the main login screen, a distinct secondary button **[👁 Member Consultation (Read-Only)]** allows any Lady Eagles Group member to enter immediately without memorizing or typing any credential.

Key Advantages: Zero credential friction, immediate transparency during assemblies and executive meetings, seamless experience across all mobile devices.

OPTION B: Shared 4-Digit Group PIN (e.g., "2026") — **ENHANCED GROUP PRIVACY**

Member consultation requires entering a shared 4-digit PIN code communicated exclusively to active Lady Eagles Group members (e.g., `2026` or selected by the President).

Key Advantages: Prevents external non-members from viewing group accounts if a phone or tablet is handed over. The PIN can be updated annually.

5. ACCOUNTING SAFEGUARDS & DATA INTEGRITY PROTECTION

- **Engine-level Write Protection:** In Member mode, database mutation methods are completely blocked at the software engine level. No accidental record deletion or alteration is technically possible.
- **Privilege Elevation Lock:** Switching from Member view to Treasurer mode strictly requires Rachel Chua's private administrative password.
- **Software Implementation:** Programmed by application developer Eric Veyrat in accordance with Rachel Chua's accounting workflow and Lady Eagles Group governance.

6. FORMAL PRESIDENTIAL DECISION & SIGN-OFF

Please select the preferred consultation option and provide your official signature for immediate integration into the next release:

Rachel Chua - Group Treasurer

Date: _____ / _____ / 2026

Group Treasurer Signature

Sharon Llegado - Group President

☐ **OPTION A Approved** (Direct 1-Click Access)

☐ **OPTION B Approved** (Shared 4-Digit Member PIN)

Date: _____ / _____ / 2026
